The diagram shows a rectangular domain divided into two sub-regions. The left sub-region is shaded with a cross-hatch pattern and contains the label '4' in its top-left corner. The right sub-region is shaded with a diagonal line pattern and contains the label '5' in its bottom-right corner. The boundary between the two sub-regions is a vertical line. The top boundary of the entire domain is labeled '3' and the bottom boundary is labeled '2'.
